The events season is sort of in full swing, but our weather isn't exactly co-operating so far!!

The cancellation of the Pride of Longbridge event in the early hours of the Saturday morning was a huge blow for us and a big disappointment as so many owners were looking forward to providing a significant display for this. Persistent rain over a few days and snow on the day was the final nail in the event's coffin! As you can appreciate, for us to try and arrange something alternative on the morning of the event was impossible to do.... Maybe next year!

Our next major get together will be MG Live! on the 4<sup>th</sup> and 5<sup>th</sup> of June at Silverstone. We are re-stocking our regalia in readiness and will have a full set of merchandise for sale, as well as some exciting raffle prizes from our friends at MG Motor, John Woods Motorcare and the Car wash Co. We will be raising funds for our charity this year – Crohns and Colitis UK, so please give generously.

If you haven't booked in yet, please take part in the Pride of Ownership on the Sunday this year, its free, good fun and nice to see the most modern of MGs represented here.

If you haven't bought your tickets for Zed 15 / Saloon day on the 9<sup>th</sup> July at the British Motor Museum at Gaydon, then please do as we are looking for a big turn out of MG6's and 3's to celebrate the 6's 5<sup>th</sup> birthday and the 3's 3<sup>rd</sup> birthday. We will have prizes for the best turned out cars, birthday cake , balloons fun, as well as our stand and information and regalia for owners.

The BTCC continues to be entertaining and very competitive for Ash Sutton and Josh Cook in their MG/888 MG6 GTs. They are certainly a vibrant team with a great spirit that's ruffling a few feathers of the more established drivers by applying some of their own tactics on them, which is nice to see! We hope to see a lot more podiums from the guys before the season end.
