The Register had its last major outdoor gathering at the BTCC Silverstone on the 17th and 18th of September. Once again the MG Car Club came up with a cracking weekend ticket deal with infield parking and the club gazebo and shop set up on the Sunday. A great turn out of MG6 and MG3s plus some new MGGS and the regular old favourite historical MG models were intermingled in the parking next to the Wellington straight. It was good to meet friends old and new as well as sign up some new owners and have a good catch up.

It was a bit of a roller coaster of a weekend on the track for Ash, Josh and the MG/888 team to say the least! Saturday qualifying was extremely exciting, some of us lucky enough to be invited into the MG/888 garage to watch it all unfold and Ash put the MG6 on pole position for race 1 by 3 thousandths of a second from Tom Ingram, with Josh Cook 3rd.

Sunday started with anticipation. After a hard fought race, the MG6's finished 1-2. A quick dash over to the paddock saw a champagne celebration on the podium. Things turned a bit sour however, as they were disqualified over dubious technicalities! The team rallied as best they could to put in fastest laps in race 3. Huge thanks to MG Motor for allowing owners access to the grid, garage and drivers.

Our AGM is on Saturday 3rd December, 3pm at the MG Sales Centre in Longbridge, followed by our Christmas meal at the Guild in Bromsgrove. Please add your names to the Facebook event, or

e-mail Steve Haines if you wish to go as soon as possible, so we can confirm numbers and menu choices.
