We welcome all readers, and all contributors.

Fashion Corner - * LAST CHANCE TO ORDER *

Our fashion correspondent **John "Robbo" Robinson** has been out on the catwalks of

Leicestershire, scouting for the latest trends for 2024. – And he has identified what is likely to be head gear of choice for MGA Drivers and Co-Drivers in 2024.

Presenting - the stylish new MGA Register Beanie and Bobble hats, available in 4 colours (red, black, navy blue, and heather grey). One size fits all, and they are multi-purpose to suit all hairstyles - If you have hair then it stops your hair from flapping about as you drive, and if you do not have hair it keeps your head warm.

Unfortunately, Gigi Hadid had a prior engagement, and John himself was having his hair done on the day of the photo shoot, so we don't have a picture of him modelling the item – we have to settle for pictures of the hats alone!

Both the beanie (above) and the bobble hats will have the MGA grille embroidered on, - the illustrated bobble hat (below) is not showing the MGA grille in this image, but both versions will carry it when produced. The bobble hat has a bi-colour bobble and shall also have the MGA embroidered grille.

The hats are 100% knitted acrylic, and the MGA 'register' grill is silver embroidered on the front, as shown on the black beanie, above.

Price is £18 per hat, payable to John by BACS or by cheque. That price includes postage to any UK address.

John will co-ordinate all the orders and liaise with the supplier in order to get a single batch of hats made, and will oversee the delivery arrangements.

This is the Last Call for these high-fashion items.

"Last Orders" is **25th April**, and they will be delivered to you within 4 weeks of that date. – **The order form is the Appendix to this Newsletter.**

If you think the hats look good, then please don't think "I will order one later", - because you will forget all about it until you see other members on the Spring Tour wearing their hats, and then you will be very jealous. – So you need to place your order **now**. Order it **now**, and it will be a nice surprise when the parcel arrives in May. (Order one for your wife / husband / partner as well! – they will **love** it)
