

# Chobham Test Track - 14<sup>th</sup> July 2018

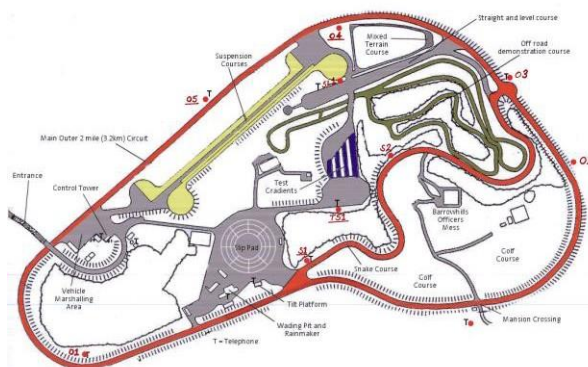

Half day track event and  
afternoon buffet lunch - £135.

**One opportunity only  
Never to be repeated!**

The **Twin Cam Group** wish to revisit Chobham in Surrey in July 2018, where MG launched the Twin Cam to over 100 assembled press on the 14th July 1958.

We have begun to formulate a package which will hopefully make this a successful reality before the site is bulldozed and we lose the chance to drive on this nostalgic track forever;

- 8:00 Arrival and setup (Tea & Coffee all morning)
- 8:30 Drivers briefing + Wristbands
- 9:00-11:00 Long Track 8 sessions 15 mins each
- 11:00- 11:30 (approx.) Re-enactment
- 12:00- 12:45 More 15 min Sessions - Last group away 12:45 (Track Closed 13:00)
- 13:00-16:00 – Buffet Luncheon – Half Moon Pub, Windlesham; 4.6 Miles from the circuit.

We would stress this is not a racing or a track day and the venue has its own set of rules to adhere to. The circuit is 2 miles around and a very pleasant country drive at any speed. Those not wishing to tax or stress their cars will certainly be catered for and most welcome to attend.

Your entry pack will include some period factory Twin Cam literature.

The Track venue is limited to 40 entries & Luncheon venue is limited to 60 places.

To enable us to confirm this event, we need bookings and payment from attendees by 31<sup>st</sup> May 2018

**£135 – Car, Driver & 1 x  
Luncheon  
£35 – Passenger / Additional  
Driver  
£35 -Additional Luncheon**
