the PROMO code.***

**Tickets close on 6th Sept or
once limit reached.**

The last Sunday Scramble for 2019, joining together again to bring as many types of MGs together at the fully restored WW II Bomber base with special reduced entry. The MGCC Gazebo & Shop will be with us too for those little gifts.

There is plenty to see on the morning with all of the buildings fully open to walk through and see the different classic car restoration companies etc. and of course a reason to have a

Sausage & Bacon buttie.....
