President's Report

Well we are now into the New Year 2020 so I wish you all a prosperous and happy new year.

The objective for the coming year is to have more combined Sub Centre events and to use community events such as the car shows etc. as a means of achieving this.

Oh Come on – Open the gate!!

We also have the National Meeting in Albury Wodonga over the Easter weekend of 10th – 14th April 2020 and we already have a strong contingent of approx. 20 indicating that they are going.

Our first State Committee meeting will be on 3rd February so I have little more to report at this stage.

I look forward to catching up with you all over the course of the year.

Cheers

Mark Dilger

State President

Membership Report

With no state committee meeting this month there are no new members to report. However, we have said goodbye to 46 members who have chosen not to continue their membership with the club.

Ed Says

Well I hope all members had a great Xmas and New Year, personally I was glad to see the end of 2019, it has been a tumultuous one for us and we are looking forward to what 2020 will hold.

Unfortunately many of our fellow Australians have had a simply awful Xmas and New Year with the worst bush fires in living history. Hopefully all your family and friends are and remain safe, property can be replaced, but the loss of lives has been tragic.

I know many of our members are involved in service clubs and organisations where they will be assisting at the front line or behind the scenes, it is at times like this that everyone pulls together and does whatever they can, that's the fighting spirit we like to associate with our Australian heritage.

On a more local club level, we are in a bit of a lull over the Xmas holiday period, but there are social runs going on and competition is about to begin with motorkhanas at Brighton and Greens Beach. The weather has been perfect to get the cars out with the tops off even if the air has been a bit smoky.

If you are into New Year resolutions, then a good one would be to get the MG out more often and enjoy some comradery with fellow MG enthusiasts. It is an easy one to keep, and much more enjoyable than losing weight or giving up drinking,

In last months magazine I incorrectly identified a black TD as belonging to Alex O'Grady, as many memebtrs would have realised, it was in fact John James TD, Alex's is white, so you can see how I was confused!

Panini Car Collection – Modena, Italy

Recently Ruth and Wayne Jessup along with Sue-Anne and I. spent 5 weeks travelling Europe. Each of us had different things we wanted to see and do, and on my list were several car museums/collections in the Modena region in Italy. Of course the obvious ones are the Ferrari and Lamborghini factory museums, but the best were 2 private collections we got to visit, Here are a couple of photos of the Panini collection which is housed in a barn on a farm in Hombre, just outside Modena.

This collection, is the largest and most exclusive Maserati collection in the world. Here you will find almost all old series models and in addition to a number of rare prototypes and historic racing cars including the Maserati 250F, Maserati 420M Eldorado and the famous Maserati Tipo63, better known as the ‘Maserati Birdcage’.

The cars used to belong to a collection owned by the Maserati brothers, then transferred to Maserati owner Alejandro de Tomaso. In 1997, he wanted to sell the collection to Fiat (who bought Maserati in 1993), but strangely they were not really interested.

Lovers of the car brand feared the collection would be split up and sold across the world, so Maserati enthusiast Umberto Panini stepped up and made a deal to buy all the cars in one go. He didn't have a plan for where to store the cars! That's why they ended up in the barn of his farm, where you can visit free of charge.

In addition to the cars, there is also an impressive collection of bikes, motorbikes, sidecars and tractors.

Mid Winter (Spring really) Getaway

This year it is the turn of the Southern Sub Centre to organise the annual weekend away. Unfortunately, as many members will be out of the State for an extended period, the Southern Sub Centre are unable to organise this event.

But! They heard a rumour that Tony and I were intending to organise two nights on the East Coast for the “Predominantly Britain to ‘Burra Car Show” on October 18th. And asked us if we were prepared to make this the Annual Overnighter for 2020.

The details are not finalised at this early stage, but the general plan is to travel to the East Coast on Saturday, attend the event on Sunday, and for those of us where time permits, return on Monday.
So, pop the dates on your calendar: October 17/18/19.

Southern Notes

8th December – Shannons Classic Car Charity Run.

We definitely picked the right day for a trip to Campbelltown. 8 members met at Brighton's Best Bakehouse at 8.30am as arranged and had a very pleasant drive to Campbelltown with hoods down and unencumbered by roadworks for a change.

The aim was to meet with the Northerners at Campbelltown so that we could arrive at the venue together and park in a group at Memorial Oval, however a few from the North had arranged a tour and didn't arrive at the appointed time. After delivering our gifts and wandering around the array of some 200 vehicles for a while in very warm conditions, we all ventured home from about 1.30pm.

As always the Salvation Army was very pleased to receive our non-perishable food gifts which will assist some less fortunate folk to enjoy Christmas in 2019.

10th December – Christmas BBQ at the Civic Club.

Once again the weather was kind to us for this annual event which attracted 41 members. The cooks arrived at 4.00pm to set up the barbeques and prepare for a cooking frenzy which commenced about 5.00pm. Once again the ladies came to the fore with a delectable selection of salads and desserts to accompany the mains which included onion, chicken wings, sausages, steakettes, mushrooms and ham steaks with pineapple. Many thanks go to Robin Wilmot who worked hard to bring it all together.

We received no complaints and nobody appeared to suffer any ill effects so we assumed all was well. Di Leeson presented a gift to all the salad and dessert contributors. Many lucky door prizes were also handed out. Many hands made light work of the massive cleanup afterwards. Thanks to all who helped to make it a great night.

A special gift was presented to Frank Manley for his contributions during the year. It must be noted that with his raffle and the admission cost of \$10.00

the Club made a surplus of \$50.00 on the night despite all food and drinks being free for the whole night.

The raffle was won by Barry Cooper (who opted for the older T type photo), second prize to Robin Wilmot and third to Peter Alexis.

All in all a very relaxing night enjoyed with many faces old and new. The case of Chris's missing dog treats – was solved by inspector Poirot and his team.

COMING EVENTS

5th January – Classics on the beach. An informal gathering of collectable cars at Long Beach Sandy Bay on the first Sunday of each month from around 09.00am to noon. All are welcome to attend.

For further information please contact Bob Leeson: 0362 296 006

18th January – South East Rally. A fantastic event not to be missed. Commencing at Wrest Point from 8.00am. This event is arranged by the Post Vintage Car Club of Tasmania and is held in January each year. It is a timed event with competitors leaving at 30 second intervals from the Wrest Point car park. If you are interested entry forms available at the Civic Club or for download from their website.

For further information please contact Bob Leeson: 0362 296 006

5th February – Wayne Goninon's mid-week run:

These runs all commence at the Rivulet Café, 64 Anglesea St, South Hobart where we partake of a coffee before heading off to our destination around 11.30am. To be arranged by Peter Alexis Esq. from PVCC.

For further information please contact Wayne Goninon: 0408 388 881

9th February – Maxie's Motorkhana and BBQ at "Selby", Kelso:

Join the John James run departing VCCA clubrooms at 67 Lawrence Vale Rd at 10am (See Northern Notes for details). This has traditionally been one of the club's significant events, combining both the competitive and social aspects. The venue has changed and it once again falls on a southern long weekend making it easier for us to attend. The event enables the "socialites" the opportunity to observe the competitors' confusion as they try to negotiate the **correct** course at speeds faster than the (elderly) brain can function. We

were recently reminded that WD means “wrong direction” not “well done”.
Finishing with a BBQ and recap of the day’s fun.

For further information contact Kevin McGuire 0409 315 014

23rd February - BBQ/picnic at Tynwald Park, New Norfolk via Hobart’s historic hillclimbs.

Meet at the Civic Club at 10am and join us for a drive on a variety of highways and byways which includes 4 of the hillclimb venues which have been used in and around Hobart from the late 1950s to the present day. These hillclimbs have all been on public roads and as we tour them at a leisurely pace, try to imagine those who drove them at competitive speeds. We will finish with a reverse direction drive down one of the Targa hillclimb stages, on the way to Tynwald Park for a BBQ.

The club will provide meat for the BBQ, but BYO salads, drinks, and chairs. There are a limited number of picnic tables available.

For further information contact Kevin McGuire 0409 315 014

4th March – Wayne Goninon’s mid-week run:

These runs all commence at the Rivulet Café, 64 Anglesea St, South Hobart where we partake of a coffee before heading off to our destination around 11.30am.

For further information please contact Wayne Goninon: 0408 388 881

15th March – My Slice of Pie, Mountain River. This venue is under new management but the new owner (Tracey) will honour our booking with a menu similar to the one we are used to. Cost is \$25.00 per head. We will depart the Civic Club at the usual time of 8.10am. to be there by 9.00am.

For further information please contact Bob Leeson: 0362 296 006

21st March – Bream Creek Show. Departing the Civic Club at 10.00am MG time.

For further information please contact Chris Wagstaff: 0438 055 199

The 2019 Christmas drive was to Coal Valley Vineyard where we enjoyed a Christmas lunch prepared by the renown Philippe Leban, who has worked as a chef all over the world, including world famous Michelin star restaurants. The food and wines were excellent, as was the company and the service.
Wayne Goninon

Report and pics from Phil Rollins

Our biggest run of the year with over 40 cars and 70 people overwhelming the parking at the Rivulet Café so we had to overflow onto the lawns. The run consisted of a combination of some of our favorite roads first up the mountain to Ferntree, then across the river and onto Grass Tree Hill turning onto Richmond Road and into the Coal Valley Vineyard our venue for lunch of turkey breast and vegies, followed by Christmas pudding with brandy sauce. The vineyard is overlooked from the dining area and is mainly planted out with Pinot Noir grapes but also has small plantings of Riesling, Cab Sav, Merlot and Tempranillo so a good choice for something to accompany the meal.

NON-DESTRUCTIVE TESTING SERVICES

Mechanical, Structural, Automotive crack testing & condition assessment of all ferrous and non-ferrous materials

Mechanical components are subjected to stresses in service from dynamic and static loading, temperature changes and corrosion resulting in cracking which can remain undetected visually until there is a catastrophic failure. This can be accelerated by exceeding design loads, inadequate maintenance or remaining in service in excess of the lifespan intended by their designers.

The correct NDT method applied according to strict guidelines by a trained and certified technician can detect cracking in metallic structures, welds, castings and forgings before they are large enough for the part to fail in service.

For advice and applications talk to **Chris Blake** to discuss your requirements large and small, I have tested everything from wheel studs to Hydro turbines. Full reporting provided to Australian Standards, I am certified to AS3998/ISO9712 with the Australian Institute of Non-Destructive Testing (CB# 4679) and carry full public liability insurances.

TJ's Humour for Month of January

Michael was out of work for a while and thought he would go door knocking for odd jobs. He wandered up one posh driveway, rang the door bell and asked if there was any chance of some work. The lord of the manor said, "Yes I need someone to paint the porch. I will pay you \$20 hr. The paint and brushes are in the garage. Come back to the door when you have finished and I will pay you cash.

Michael goes back to the garage, gets the job done in a few hours and goes back to collect his money. The owner comes to the door and says, "great, you have finished already? That was quick, I'll give you an extra \$10," and hands over the cash.

Michael pockets the notes, thanks the elderly gent and as he turns to walk off says, "By the way, I don't know if you already know, but that's a Maserati not a Porsche."

Square Rigger Notes

All Pre War, T and Y Type MG's.

A spot of nostalgia in events past to start the New Year, a 2014 gathering at Campbell Town and celebrating the 70th birthday of the TC the following year in Launceston. And great to see the commencement of the MGA Register, a benefit to the model, the marque and the membership. Good motoring to all for the year ahead.
