Starting fee: CHF 140.- / Euro 120.- for the MG and driver; CHF 100.- / Euro 85.- per co-driver.

The "goodies-bag" contains the rallye plate, brochure, tour leaflets, surprise-gift, polo-shirt and cap with sewn-on event logo.

Flat-rate-fee: Euro 680.- per person. This contains 8 days half-board (dinner September 12th until breakfast September 20th; rooms with bath tub / shower, toilet, telephone, TV; WLAN, ***-standard), "Törgele-Fest", 5 guided tours inclusive lunch (dish of the day), hike in the local area (inclusive lunch) at the foot of the picturesque Latemar, a barbeque evening, a gala evening.

Beverages are not included in the fee. There are approx. 10 – 15 garages (as long as available) at our disposal.

MGs of any type are warmly welcome - just a word of advice: The vehicle needs to be "alpine-worthy" or by other means should withstand climbs up to 9000 feet / 2700 meters with in- or declines of up to 20% which can be some burden even in the climate in early september (temperatures at 5 degrees overnight; up to 25 degrees in the afternoon). However we had MG TCs and TDs in earlier years.

Who and how many can apply: Anybody who is interested to meet new MG-friends and/or to renew MG-friendship and to explore the beauty of the alpine region of the Dolomites is welcome: Be it now from Switzerland or abroad, with any type of MG, with any age of the car or the driver. **The only limit is our booked room contingent for about 37 cars (33 double-bed rooms and 4 single-bed rooms).**

Your application will be confirmed asap (with payment instructions for the starting fee).

The flat-rate fee and drinks you'll have to pay at your stay. Your application is only fully registered with the payment of the starting fee.

For any cancellation after April 30th 2019, the full starting fee will be retained. Furthermore the following amount of the flat-rate-fee will be charged: After April 30th: 50%; after June 30th: 75%; after July 31st: 100% (the reservation and cancellation regulations of the hotel Castel Latemar apply; unless a substitution can be found).

We already have several interested parties from within Switzerland and abroad, so don't hesitate to apply early.

Applications are available in English and German.

Any questions: Just call or mail ! We are looking forward to some nice late summer days in the South Tirol and the Dolomites.

With
octagonal
regards
