Placement of Advertising and Signage

Teams and Competitors may use the A3 clip frame information boards provided in pit garages (where applicable). Otherwise, placards, banners, advertisements, stickers, decals or leaflets must not be attached, erected, installed or placed anywhere around the MSV Venue, including without limitation on any windows, fascia, hospitality suites or doors, without MSV's express prior written permission. Any cost incurred by MSV to rectify or repair any damage caused by any breach of this provision shall be immediately reimbursed by the Team or Competitor on demand.

Markings

Markings must not be made on the pit garages, pit garage floors, any circuit or paddock surface at any MSV Venue. Any markings shall be removed by MSV at the relevant Club or Team's cost.

Surfaces

Pegs or stakes must not be hammered or inserted into any tarmac surface. Fuel, oil or chemical substances must not be deposited onto any tarmac surface. In both cases this includes without limitation the circuit surface and the pit and paddock area. This includes damage caused by trailers which must be left sited on blocks, not directly onto the ground as limited weight restrictions apply. Any person who damages any tarmac surface may be excluded from the MSV Venue and, where such person is a Club or Team representative or Competitor, the Club, Team or Competitor shall on demand reimburse MSV for the total cost of rectification of any such damage.

Tail lifts

Where vehicles with tail lifts are being used at the Venue, the operator must ensure that the tail lift is never left down, including in the halfway position, other than when loading / unloading is being undertaken, as this may present a serious risk of injury to drivers or pedestrians.

Permitted Filming/Photography

Other than the taking of still photographs for personal, non-commercial and non-promotional use by Teams, Competitors or their guests, the production and/or reproduction of any audio, visual (still and/or moving) and/or audio-visual coverage of any of the MSV Venues or any part of any Event in any media whether now known or invented is not permitted without obtaining MSV's prior written consent. MSV may charge a reasonable fee for the production of such coverage. Following any requests from Teams or Competitors to produce coverage, Clubs shall require the Team/Competitor to complete MSV's Authorisation Form which should be available in advance from the MSV Press and PR Department, who will give consent if deemed appropriate and provide details of any applicable fee. Where MSV provides its consent to the production of coverage and the relevant Team/Competitor has paid any applicable fee, any and all on-board video equipment carried in or on any vehicle must be safely and securely installed in accordance with any applicable Governing Body regulations, and a Club representative must inspect such equipment accordingly before the relevant vehicle takes part in any on-circuit activity.
