Start procedure for races 13 & 17 MGCC Lackford Engineering Midget & Sprite Challenge and MGCC Cockshoot Cup.

These races will be run as a split grid with the MGCC MGCC Lackford Engineering Midget & Sprite Challenge at the front.

The first grid will be started by following the standard lights procedure, with the second starting 10 to 20 seconds later with the waving of the Union Flag.

This procedure is subject to change if weather conditions give rise to safety concerns.
