Incident: Include evidence from, competitor interviews, written reports, race log and where available circuit/in car video footage

Post Chief's Report received from Post 17, report timed at 13.07, reported that Car 49 had overtaken Car 35 under waved yellow flags as a car had left the track at this point of the circuit and was stationary in a dangerous position on the outside of the corner. Report also advised that 49 had conceded his position gained under the yellows.

Both drivers were interviewed separately by Michael Ashcroft (Lic No 1404). The driver of car 35 was interviewed first and confirmed that Car 45 did concede his place back to car 35 between points 20 and 21 on the circuit.

He further advised that car 45 probably gained the advantage by car 35 backing off a bit earlier on the approach to point 17?

The driver of car 45 admitted that he may have just nudged ahead of car 35 on the approach to the corner but conceded just after the exit of the corner, around point 20 on the circuit.

This is consistent with the account of events provided by the driver of car 35.
