**Incident:** Include evidence from, competitor interviews, written reports, race log and where available circuit/in car video footage.

The driver of car 58 failed to attend the driver's briefing for Novice and/or Drivers who had not raced at the circuit in its current configuration during the last 12 months.

This required was stated in the Final Instructions and Briefing Notes sent to all drivers/entrants prior to the event.

I interviewed the driver at 0930 2 July 2022 and asked him if he had read the Final Instructions or the Drivers' briefing notes that had been sent to all drivers by the Secretary of the Meeting.

He said that his Dad attended to any paperwork and that he had not read these documents.

I asked him why he didn't attend and claimed he was delayed due to an accident – claimed he had left Stevenage at 0600 this morning.

I also asked why he didn't telephone the Sec of the Meeting or Championship coordinator to advise of his delay but claimed neither he nor his travelling companion were able to do this.
