

The International MG & Triumph Spares Day at Stoneleigh Park

February 10th 2019

T Register Stand

The T Register stand at Stoneleigh offers T Register members an opportunity to sell any spares they may have collected that are now surplus to their requirements. This is a commission-free service organised and funded by the T Register as a service to members. However members who use this service are invited to make a contribution towards the cost of the stand. A voluntary contribution of 5% of sales over £10 is suggested.

To help us keep track of the items you leave with us please list everything on the form below together with an intended selling price. Also please include a mobile phone number so that we can contact you in the event that a potential buyer wants to make you an offer. There will be labels provided as you arrive at the stand for you to attach to your items to describe them, identify them as belonging to you and to include a price. To help you find us look out for the T Register Flag in Hall 1.

Name.....

Mobile Telephone Number.....

E-mail address.....

Item No	Description	Price

Please Note:

Whilst every effort will be made to safeguard parts left with us and any cash collected on your behalf neither the volunteers manning the stand, the T Register or the MG Car Club can accept any liability for any loss howsoever incurred.
