

From the office of David Richards CBE – Chairman Motorsport UK

Dear Ron

I'm delighted to provide you with the following comments in respect of the MG Car Club's 95th anniversary celebration lunch.

"There are very few car clubs that can celebrate their 95th anniversary so it's a great feather in the cap of the MG Car Club that it's still going so strong after all those years.

Most motoring enthusiasts have owned an MG at some time in their lives and I'm no exception, having owned an MG Midget in my youth. I have very fond memories of that little car and wish your members many more years of motoring fun in their MGs.

Kind regards

David"

Regards

(Dictated and sent in my absence)

A handwritten signature in red ink, appearing to read "David Richards", with a stylized flourish at the end.
