Dear Ron,

The Federation of British Historic Vehicle Clubs is delighted to hear The M G Car Club will celebrate the 95<sup>th</sup> Anniversary of the formation in 1930 and we send our hearty congratulations!

As you know I have been associated with The Club since 1969 and it therefore occupies much of my life, eleven years as Secretary of the Midland Centre followed by three years as Chairman of the centre.

We thank the Club for your loyal support of the Federation and particularly your current President, John Day, for nominating me for my role of chairman during his term in office.

Looking at the current issue of Safety Fast I am delighted to see Old Number One on the front cover ably piloted by Stephen Laing of the British Motor Museum and indeed your strong promotion of our National Historic Vehicle Survey (NHVS). The NHVS will fulfil a most important survey of the historic vehicle movement particularly as our last five year survey was impacted by the global pandemic.

We wish you a successful lunch in the BRDC Clubhouse at Silverstone on June 7<sup>th</sup>.

David Whale  
Chairman
